#3 Trail Greeter (and Hiker)

There are over 20 miles of well maintained trails throughout CF. There are specific times of year and days of the week that the trails can be busy with large groups of hikers and some with dogs.

The committee is seeking ambassadors as Trail Greeters and Hikers. You can choose your favorite trail and while hiking, help promote proper trail etiquette and “Leave No Trace” hiking practices. You can also point out some of your favorite areas and features or any potential hazards to other hikers.

As a greeter, you would assist hikers as they begin their adventure and encourage the use of digital trail maps.

The 2022 CF Hiking Guide publication is available in digital format at <https://bit.ly/CFHikingTrails>. The guide is very comprehensive and includes trail maps and descriptions. Safe Hiking Hints are provided on page 4 of the guide and Hiking Trails Rules For use are on pages 16-17.

Digital trail maps (caltopo) are available at <https://connesteefalls.com/group/pages/hiking>.

There is a CF Hikers website at <https://cfhiker.wordpress.com/about/> with information under Connestee Hiking Trails, about reporting hazards such as downed trees and/or the location of a yellow jacket nest on a CF trail.

Thank you for your interest in promoting the proper use of our trail network!
